

student lighting design competition

DESIGN WITH LIGHT

2 . 6 . 2 0 1 0

AWARDS

1st PLACE **\$800**

2nd PLACE **\$400**

HONORABLE MENTION **Certificate of Merit**

OBJECTIVE

Design With Light was started to raise the awareness and understanding of the lighting design profession within the student community. Students are invited to solve a given design challenge with an original and innovative solution and to express their solution through presentation.

ELIGIBILITY

Design with Light is open to all enrolled, full or part time, undergraduate and graduate students in lighting/illumination design, art, architecture, engineering, industrial design, and interior design at an accredited Philadelphia area
